Declaration of support for the European Charter for Researchers and the Code of Conduct for the Recruitment for Researchers

Nicolaus Copernicus University in Toruń (NCU) represented by Rector Professor Andrzej Tretyn welcomes and fully supports the principles expressed in the Recommendation of the European Commission 2005/251/EC on European Charter for Researcher and the Code of Conduct for the Recruitment of Researchers.

The European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers are a benchmark and orientation guide which will second and endeavour to maintain and foster favourable working environment as well as high-quality research and education.

The board of Rectors of NCU believes that the implementation of the Charter and the Code principles will contribute to strive towards removing barriers to researcher's mobility and foster international collaboration within the European Research Area.

Kind regards,

Prof. Andrzej Tretyn

Rector of Nicolaus Copernicus University in Toruń
